

# HOW TO CELEBRATE • *Environment Day* •

## **Support Nature**

Support the environment by planting a tree.

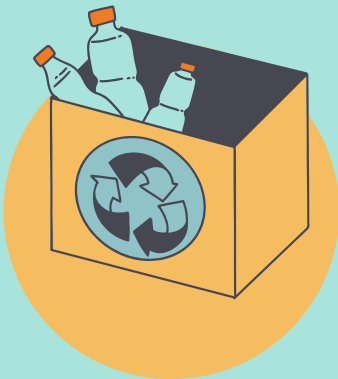

## **Start a Garden**

Whether it's flowers or vegetables, this activity helps you and the planet.

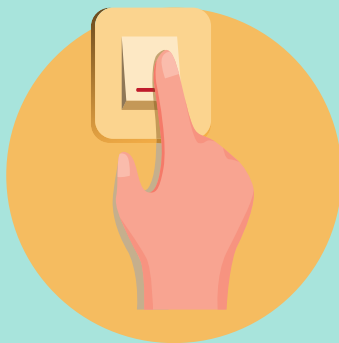

## **Pick up Trash**

Help your community by picking up trash around the area.

## **Reuse Material**

Use old materials for arts and crafts.

## **Reduce Energy**

Research how you can take small steps in your daily life to save energy.

## **Get Outside**

Enjoy and take care of the planet by spending it outside.
